Speak Up!

Action Behind Advocacy

Consider...

What happens
if no one
speaks up?

Who cannot
speak up for
themselves?

Who is
pushed aside in
society?

When you
speak up,
who listens?

Who speaks
the loudest?

What do we need?

Someone who...

- SPEAKS UP!
- Wants to support positive change
- Poses a challenge:
why can't we do better?
- Believes the future will be better if
we all work for a better future.
